A BEAVER TALE

Two fictitious characters, Wanda Weaver and Billy Beaver are presented to represent a year in the life of Weaver.

SEPTEMBER 11

Dear Diary
Today we had a full school day and you'll never believe what I saw for the first time since June of our last school year.
I saw Billy Beaver. He didn't see me. I didn't know whether or not to run up to him or just stand there behind the door of the classroom. Knowing me, I just stayed behind the door and watched him walk by. I wonder what will happen tomorrow? Will I be motivated to converse with Billy or won't I? The answer will be out in the open for us both tomorrow. Until then.....

Today I found out Billy's schedule, and I wanted to be in his classes so bad that I went to my counselor and lied to her that I didn't have a schedule so she put me in the classes Billy had. I was so mad when I went to my classes and found out Billy had been transferred from every class into all my old classes.

OCTOBER 14

Dear Diary
Last night was the annual bonfire at school. Even though Friday the 13th is a bad luck day, it sure was good to me. The moon was full, the fire was big, and the stars were bright. Just to see Billy and the light shining on him, oh I could have died.
Today is the day of the Homecoming game and parade and my Billy is on the starting line up.
I can't wait!!!

Weaver is not just a building. Instead it is a dynamic group of people who are **GOING PLACES**. We are always on the move. Going to classes, lunch, practices, class trips, activities, sports, home, and eventually on to higher education or jobs.

This 1979 Portal is your ticket to accompany the Weaver staff & students on a photographic journey through the year.

Weaver students are indeed **going places**. The Modern Dance Troupe not only performed around the state but spent part of the summer performing to enthusiastic audiences in Jamaica.

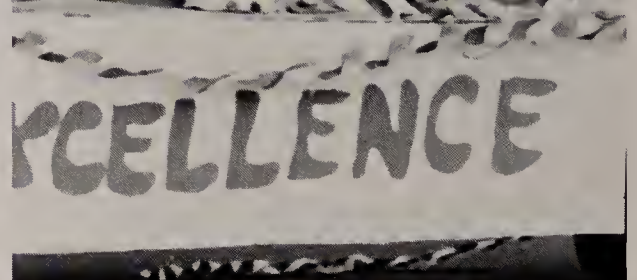

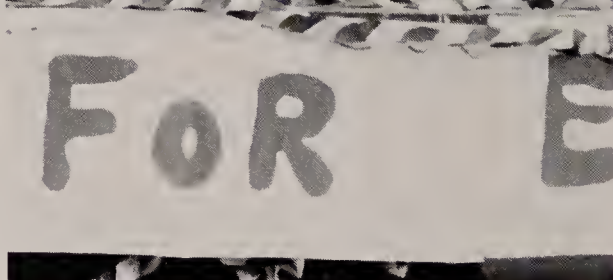

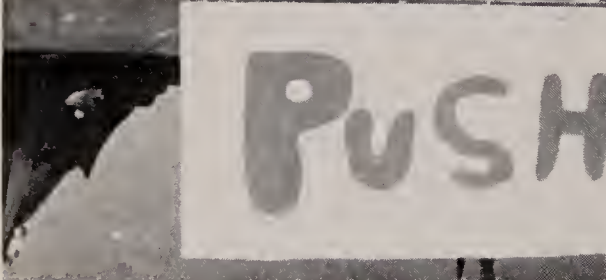

The Honor Society spent a weekend in Montreal learning the customs of a French speaking province as well as discovering the universality of contemporary night life.

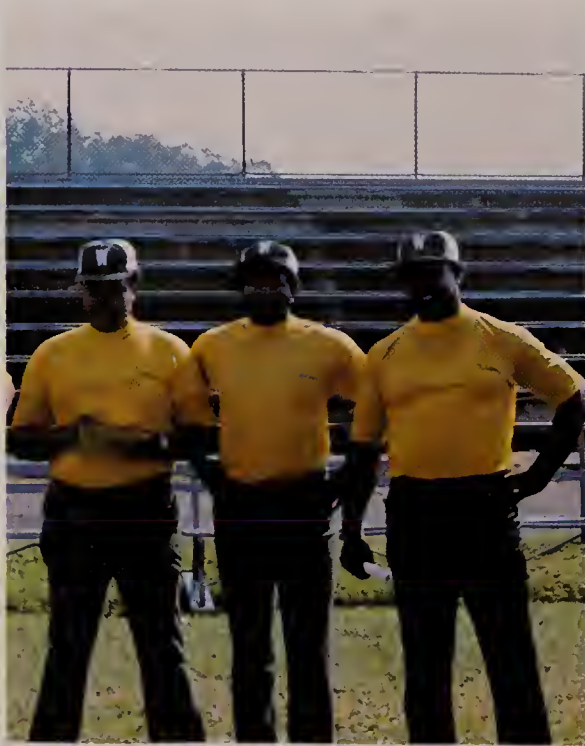

This summer 14 students and 2 advisors traveled to Japan. These students were representatives of the Weaver-Ibaraki Japan Exchange Program. Weaver was chosen along with only fifteen other high schools in the United States and was the only urban high school to participate in an exchange program. Our students traveled to the cities of Tokyo, Mito, and took sidetrips in Japan. They stayed with Japanese families for three weeks and participated in school and community activities. The trip was a rewarding and informative experience for all.

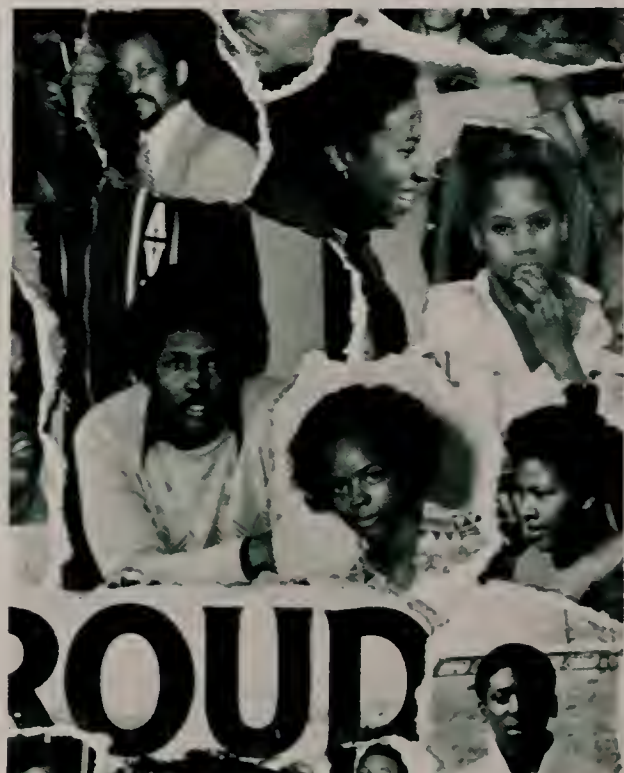

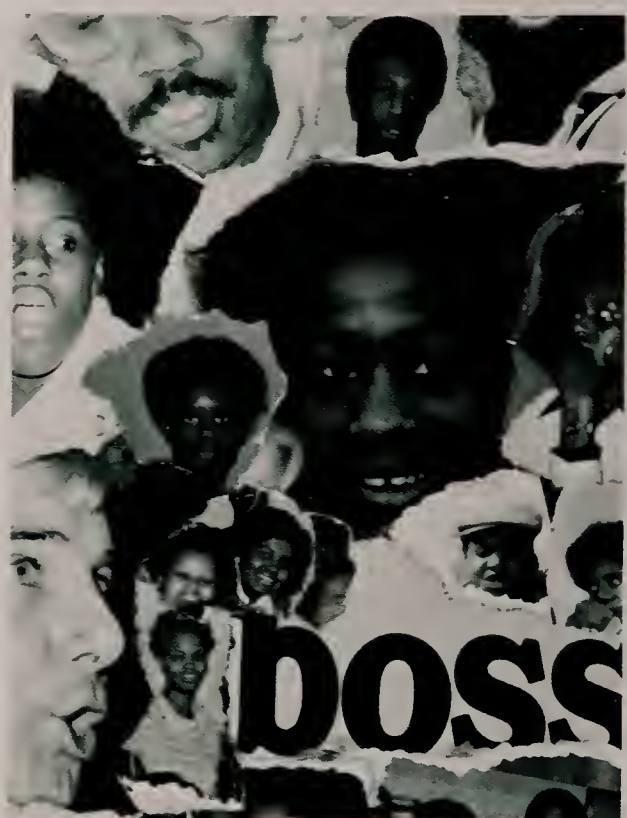

Weaver High Sports are going places. Each year teams get better. Each Year more students enter colleges with athletic scholarships. Whether it's across town, across state, or out of state, when Weaver's team buses come rolling back, their opponents know the agony of defeat.

Weaver's golf team has demonstrated great potential. Out team was comprised of one senior, two sophomores, and two freshmen. Even though there were not as many wins as losses, two of their wins were over arch-rival Hartford High. With the experience gained, this young group of men will come back to better their record.

Going Places

We all know him no matter in what way. Mr. Copes, the Executive Vice Principal, has gone on to play. He's gone back to school to get his P.H.D. Take a look, wouldn't you say he deserves the degree! Mr. Copes showed us dedication and the power of will, but also good times and happiness fulfilled. Some of us grew close while others went astray. To you, Mr. Copes, success all the way.

Dedications

We the Class of Nineteen Hundred and Seventy Nine dedicate this yearbook as a token of our appreciation and love to a man who has given our class four years of his life, Mr. David White. We will never forget your trust and guidance throughout our years at Weaver High, nor will we forget all the fun that accompanied your presence. Thank You!

This book is also dedicated in memory of the late Mrs. Caseralla, a lady we all admired and loved. We shall never forget her true devotion to Weaver High School. We will also remember her efficient work in the Counseling Department and, above all else, her friendly smile. With deepest regrets, The Class of 1979 bids good-bye.

Dear Diary, Night! At
last! I thought that it
would never come. I was
so proud of Billy when
he got his diploma. He
smiled, showing off his
beautiful teeth and almost
fainted! I just know that
he'll do well in college
because I'm going to be
right there making sure that
he doesn't get distracted
by any of those other co-eds.
I sure hope I'm going
likes the kit I'm going
to give him for graduation.
